

DZG Science & Career Day 2024

Translational Medicine - From Lab to Life: How to Translate Your Research into Medical Innovations

#DZGSciCareer24
#ForschenfürGesundheit

Nov
7

SCIENCE DAY

- 12:00 Registration
- 12:30 Welcome Note
Annette Schürmann | DZD & Dife
Katharina Eulenburg | DZHK
- 12:45 Insights Translational Medicine – Glimpses from Cell & Gene Therapy Research
Chair: Meriem Ouni | DZD & Dife
- Cell & Gene Therapies using Macrophages: From Tissue Regeneration to Anti-Cancer Therapies**
Nico Lachmann | DZL & Hannover Medical School
- CAR T Cells – From Design to Clinical Application**
Annette Künkele-Langer | DKTK & Charité Berlin
- Stem Cell-based Replacement Therapy in Type-1 Diabetes**
Henrik Semb | DZD & Helmholtz Munich
- 14:15 Coffee & Snacks
- 14:45 Panel Discussion: **From Discovery to Medical Application: Important Steps for Successfully Translating Groundbreaking Research**
Chair: Boris Fehse | DZIF & UKE
with: Ute Petereit | BMBF, Nico Lachmann | DZL, Annette Künkele-Langer | DKTK & Henrik Semb | DZD
- 15:45 Coffee
- 16:15 Poster Session: basic • translational • clinical
- 18:30 Networking Dinner & Pitch your Science

CAREER DAY

- 09:00 **From Researcher to Entrepreneur** | Heidi Zinecker & Michael Karle | Ascenion GmbH
- 10:00 Coffee
- 10:30 **Impulse Workshop: Strategic Networking** | Karin Bodewits | NaturalScience.Careers
with role models:
Henriette Kirchner | DZD & University of Lübeck
David Capper | DKTK & Charité Berlin
- 13:00 Close of Meeting
